

PLAYFUL PAWS DOGGIE DAYCARE

In order to ensure a safe and healthy environment, these requirements must be met by all dogs coming to daycare.

1. Proof of current vaccinations as listed in Daycare Agreement.
2. All owners must sign the daycare agreement.
3. All dogs over 6 months of age must be spayed or neutered.
5. All dogs coming to daycare must be social with other dogs and people. While the Animal Clinic loves all animals, we acknowledge that there are some breeds that are not social with other dogs. For this reason, we do not allow pit bulls to participate in the Playful Paws Doggie Daycare.
6. Dogs who begin to exhibit aggressive behaviors that cannot be controlled or modified by our staff will cause us to deny their participation at daycare.

Prior to your dogs first day, please come by to meet us and let us know about your pet's likes and dislikes. You can fill out our Daycare Agreement during this visit also.
